

DAYTON EA INSIDER

Your Monthly DEA Newsletter

September 2023

President's Corner

Welcome back to school!! We find ourselves at the end of another summer which brought great change to the District. Change is difficult and sometimes presents many challenges. The quote " Change is hard at first, Messey in the middle and Gorgeous at the end." comes to mind. One thing that will not change is the DEA Mission Statement: "We, the Dayton Education Association, will encourage professionalism, advocate the rights of members, and demonstrate a positive commitment to the enhancement of Public Education". We ask for Unity, Cohesiveness, and Participation. We also ask that you familiarize yourself with the DEA Website. The best thing you can do for yourself and those around you is to familiarize yourself with the Master Contract. Please do not hesitate to contact me with ways to help the DEA be more effective. My job, as your President, is to advocate for you. You deserve my best, and that is exactly what you will get.

You President: Neil Mahoney

My effort level in September:

- Cute, coordinated teacher outfit.
- Healthy lunch packed in a Mason jar.
- Pristine educational bulletin board.

My effort level in May:

- Casual Friday on repeat.
- Surviving on my emergency granola bars.
- Bulletin board still has snowflakes.

WE ARE TEACHERS
